

Video of the Week – How drylin delta does Christmas carols

Please join igus in celebrating Christmas 2018... www.igus.co.uk/deltachristmas

(Silent Night, composed in 1818 by Franz Xaver Gruber)

Silent running, oil-free slides
from stock or, as a kit
drylin delta is o'ur new bot
Stepper motors and en-c'o-ders
R-O-I in just 6 months
R-O-I in just 6 months

Remember folks, a drylin delta robot is not just for Christmas. This lightweight, piece of equipment will keep on giving, enabling your business to achieve low-cost automation for simple assembly and pick & place tasks.

Call igus now on 01604 677240 to ensure a drylin delta is delivered safely to your door, or order online at: www.igus.co.uk/info/robotics-delta-robot

About igus:

Based in Northampton in the UK and with global headquarters in Cologne, Germany, igus is a leading international manufacturer of energy chain systems and polymer plain bearings. The family-run company is represented in 35 countries and employs 3.800 people around the world. In 2017, igus generated a turnover of 690 million euros with motion plastics, plastic components for moving applications.

With plastic bearing experience since 1964, cable carrier experience since 1971 and continuous-flex cable since 1989, igus provides the right solution based on 100,000 products available from stock with between 1,500 and 2,500 new product introductions each year. igus operates the largest test laboratories and factories in its sector to offer customers quick turnaround times on innovative products and solutions tailored to their needs.

The terms igus, chainflex, CFRIP, conprotect, CTD, drylin, dry-tech, dryspin, easy chain, e-chain, e-chain systems, e-ketten, e-kettensysteme, e-skin, flizz, ibow, iglide, iglidur, igubal, manus, motion plastics, pikchain, readychain, readycable, speedigus, triflex, plastics for longer life, robolink and xiros are protected by trademark laws in the Federal Republic of Germany and internationally, where applicable.

All other registered trademarks and trademarks are the property of their respective owners.
